SUMMER 2017
STUDY ART IN SOUTH AFRICA!

Wold Visual Resource Center (Visual Arts F109)
Monday 4/18, 12:30-1:30 Tuesday, 4/19, 5:00-6:00

CSU Meets Africa: Visual Pathways in Art and Education—This four-week summer program will focus on the Arts of Africa through the study of artistic methods and techniques, cultural context, and global significance. Students will engage with South African visual artists through service learning projects, educational programming, and community collaboration. The information sessions include the opportunity to ask questions of CSU students who traveled to South Africa in 2015.

Trip Dates: May 20-June 17, 2017

Six credits in art history and art education

Travel with Dr. David Riep (Art History) and Dr. Patrick Fahey (Art Education)
